

Dear parent/guardians of Years 1 & 2,

Point Cook P-9 College is looking forward to another great year of teaching and learning and would like to advise you of Point Cook P-9 College's voluntary financial contributions for 2024.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our college can offer the best possible education and support for our students. We want to thank you for all your support especially through our fundraising efforts. This has made a huge difference to our college and the programs we can offer.

Within our college this support has allowed us to offer a variety of subjects and special curriculum experiences, such as but not limited to, Play Based Learning programs and to be a part of the Stephanie Alexandra Kitchen Garden program.

For further information on the Department's Parent Payments Policy please see a one-page overview attached.
